Dear Moody,

As I have already informed Mr. Nurock over the telephone, I have spoken to Mr. Bowman about the remark ~~made by the Mayor of Tulkarm~~ made to the Officer Administering the Government that the Mayor of Tulkarm raised difficulties with the Department of Education in connection with the proposed Sunday closing of schools in Tulkarm.

No official protest had been made to me but after I discussed the question with Mr. Bowman he authorized me to state that he has always found the Mayor of Tulkarm most helpful in every way during his long ^{term} of office in connection with educational matters. As regards this particular matter, Mr. Bowman generously stated that if he were in Abdul Rahman's place, he would probably be of the same opinion as the Mayor.

As you know Abdul Rahman was harbouring an undesirable son but some months ago I had a talk with him and His Excellency spoke to him separately and since then we have had no cause for complaint as regards his conduct. Again here it was rather difficult to get an old man to turn his son out but here again he has done all he could.

In the circumstances, I do not consider that an assurance is to be obtained from the Mayor as I think he is quite justified in expressing his

own opinion, and I trust that His Excellency may find it possible to appoint this worthy old gentleman to the office. I may add that the sooner the appointment is made, the better as the present intrigue which is running rampant in the town will thus be stopped.

Yours sincerely,

Excellency

S. Moody Esq, O.B.E.

18th October, 1934.

CONFIDENTIAL.

The Chief Secretary.

Subject :- Appointment of Mayors
and Deputy Mayors.

With regard to Tiberias, after careful consideration, I recommend the re-appointment of Mr. Zakki haddef, who enjoys the respect of all communities.

2. With regard to Tulkarm, I have considered the matter very carefully and recommend the re-appointment of Abderrahman Eff. El Haj Ibrahim. There is another candidate, Hashem Eff. Jayousi, but he would not have the support of the rest of the councillors and would, therefore, not be able to do the work.

3. With regard to Acre, I had proposed to recommend the late Mayor, Tewfik Bey Maggi, for re-appointment, but as he died on the 17th October, I have to hold over any recommendation in respect of Acre until some later date.

4. I cannot make any recommendations in respect of Jenin, as an electoral petition is still pending before the Court and the date of hearing has not yet been fixed.

5. I do not recommend the appointment of Deputy Mayors for any Municipal Council in the Northern District, except in Haifa, and I shall address you subsequently on the subject.

(Sgd.) E. Keith-Roach.

DISTRICT COMMISSIONER.

I am directed to forward herewith, in original with translation, a petition addressed to the Officer Administering the Government by certain persons of Tulkarm against the appointment of Mayor, and to say that it is left to your discretion whether this petition, which may not be genuine, should be answered and if so on what terms.

I
Farid Abdallah, Hanna Abu 'Ata and six others state that a rumour was spread in Tulkarem to the effect that Abdul-Rahim Hannoun was appointed as Mayor, through the endeavours of the Jews and the influence of certain notables of Nablus and Jerusalem. This rumour was received by the people of Tulkarem with great indignation, and Abdul-Rahim Hannoun is reputed to be a land broker and engages himself in securing lands for the Jews to the detriment of the Arabs. On the other hand, petitioners assert that Abdul-Rahim Hannoun is ignorant and cannot administer the affairs of the Municipality. He is also advanced in age and never occupied any office or appointment in the Municipality. He is disliked by the other five Councillors who will not cooperate with him.

I
In conclusion, petitioners request His Excellency not to appoint Abdul-Rahim Hannoun as Mayor of Tulkarem.

Tulkarem 12th Sept. 1934

His Excellency,

The Officer administering the Government,

Subject : Municipal Council of Tulkarem

Your Excellency,

There is a widespread rumour in the Sub District of Tulkarem to the effect that Hashim El-Jayjisi is trying through influential personalities in Jerusalem towards recommending himself to Your Excellency so as to appoint him as Mayor or Deputy Mayor to the Municipal Council of Tulkarem. And whatever might be the degree of truth in the said rumour, it has disturbed both townsmen and taxpayers who do regard Hashim's appointment to this post as a great insult, as well as a terrible shock.

The a/m Hashim has been for the last ten years provoking ill will among the members of his family on the one hand and among several villages on the other hand. He is the author of many wrong-doings and it would be worth noting to numerate the following instances:

1. Hashim was born at Kour village. Fasad (corruption) being his hobby moved him to create a number of evils in the village which evils has worried counsels for a very long time.

2. Later on, as a sequel to his Fasad activities at Kour village, he was forced to

now to Istah village. Here his corrupt activities went on a large scale and the village was, due to his 'fasad' demolished both materially and morally. Misery, poverty and moral turpitude dominated in the said village. The local government then applied the Prevention of Crime Ordinance and Hashim the notorious and great agitator was exiled to Safad and Akko.

3. On ending the period of exile, Hashim was advised by the authorities here to live at Tulkarim, so that he may find other hobbies than 'fasad'. But it was in vain as his nature is contaminated with 'fasad'. In other words "he is falling deeply in love with fasad".

Here at Tulkarim, then, he gathered a few braggarts to cooperate with him in his fasad activities and appointed his brother as a specialist in raising complaints against officials and others. This tendency was with an object that he may come in contact with officers in government service who would help him in his devilish manoeuvres, in the 1st place and with an attempt to bluff the public into believing that he is "something" in the 2nd place. One of those who went as victim for his illegal and barbarous acts was his uncle (brother of his father) Rasheed Eff. Jagginsi. The way he followed with regard to the said late Rasheed was rather quite mean and beastly. He procured his brethren and moved them to insult and beat Rasheed wherever they meet him. The result of this evil tendency on his part which tendency he has nourished and opposed every attempt

towards peace and settlement, was that his said uncle (Rasheed) died being effected from wounds he received in the middle of Tulbarem streets. The local government was therefore forced to apply the prevention of Crime Ordinance and Hashim was bound over for a period of one year which binding is still acting.

4. Municipal elections for Tulbarem were made. Hashim with his intrigues and illegal practices required a membership in the Municipal Council. But these elections has shown the public what kind of person he is and his nearest friends denied his men attitude which appeared in these elections as mean and disgraceful.

The five duly elected members are against him and in no way can participate with him.

5. Hashim at any rate, is bodily weak. He is infected with a disease which is akin to Tuberculosis. And Tulbarem as a "young" town, notwithstanding its small area, needs an active Mayor, like the present, who has made every one boast in his its up to date improvements and betterment schemes.

Accordingly application is hereby respectfully made to your Excellency as the ultimate authority so that your Excellency may have an idea about the said Hashim which idea would never lead your excellency to approve of an appointment for a post supposed to be for an active, peace-loving and loyal person. And we are sure that your Excellency with your inherent nobility would never agree to a thing which is contrary to principles of justice and rules of equity.

Hashem Al-Jayousi who was previously expelled by the Government of Palestine to Safad and Acre, owing to his seditious activities and who was bound over this year under the Prevention of Crimes Ordinance in the case of the murder of his uncle, Rashid Eff. Al-Jayousi, and who is suffering from a disease and spends most of his days under treatment in hospitals or in bed, is circulating^a rumours that he will be appointed as the Mayor of Tulkarem or as Deputy Mayor through the intervention of certain notables in Jerusalem and Nablus. Although we are reluctant to believe such a rumour, we submit for Your Excellency's information that all the newly elected councillors are with the present Mayor and not with Hashem Al-Jayousi. No deputy mayor was ever appointed at Tulkarem or in any small municipality in Palestine since the British Occupation. In the name of the inhabitants of Tulkarem, we request that Hashem Al-Jayousi be not appointed as Mayor or Deputy Mayor in order to put an end to sedition and agitations and to serve the public interest and also in compliance with the usual procedure and the noble British traditions.

Abdul Rahman Eff. Haj Ibrahim, Mayor of Tulkarem, obtained the highest number of votes in the recent municipal elections and succeeded with his nominees in gaining the majority of seats in the Council. He has held the office of mayorship for many years and converted Tulkarem from a village to a prosperous town through the many schemes of development which he carried out. He is still carrying out the duties of his office with diligence and honesty and has won the confidence of all the High Commissioners and British Governors since the Occupation. His Majesty the King conferred upon him the most excellent Order of the British Empire in appreciation of his services. Through his integrity and honesty, he won the confidence of Government and of the public, a fact which may be officially established by reference to Government files. Some intrigue-makers are endeavouring to spoil his reputation by transmitting telegrams to Your Excellency. They spread the rumour here that through their endeavours and the influence of their intermediaries, some other councillor will be appointed as a mayor. We are reluctant to believe that the noble Britishers in Palestine will depart from the traditional practice of His Majesty's Government of maintaining the friendship of men known

I am directed to request that you will forward, as early as possible, a notice declaring the result of the election held at Tulkarm on the 12th August, for publication in the Gazette under sub-paragraph (2) of paragraph 20 of the seventh schedule to the Municipal Corporations Ordinance, 1934.

DISTRICT COMMISSIONER'S OFFICES
NORTHERN DISTRICT
HAIFA.

31st August, 1934.

My dear Nurock,

With reference to your G/29/31 of the 28th August, 1934, I discussed with the High Commissioner last week the question of the appointment of the Mayors of Jenin, Tulkarm and Beisan. There was no discussion in regard to the appointment of the Mayor and Deputy Mayor of Haifa but His Excellency mentioned that he had approved of the recommendations made by me and which are contained in my letter of the 21st August.

2. In the case of Beisan, the High Commissioner approved of the appointment of Muhammad Sa'id Eff. Halbuni. (Please see my letter of even number, dated the 23rd August).

3. As regards Jenin, no recommendations have been forwarded by me. I explained to the High Commissioner that both Foot and Cuet, with whom I had discussed this matter, favoured the appointment of Fahmi Abbushi. On the other hand, I consider that Fuad Qasem Abdul Hadi should be nominated but as my views conflict with those of Foot who, after all, is in closer touch with the situation and will have much to do with the administration of the Jenin Municipality, I thought it better to leave the appointment of the Mayor of Jenin in abeyance until Keith-Roach returns from leave on the 24th September.

4. Recommendations for the appointment of the Mayor of Tulkarm were forwarded under my letter of the 23rd but in view of Keith-Roach's remark that he considered Abdel Rahman Haj Ibrahim to be too old for the job,

the High Commissioner decided that the appointment of the Mayor of Tulkarm should also remain over until Keith-Roach's return.

5. There is no objection to the results of the elections in Jenin and Tulkarm being published in the Gazette but the Order prescribing the date when the new councils take office should be held over until the respective Mayors are appointed.

Yours sincerely

(Sgd) M. Bailey.

of Mayor.

the 23rd August, 1934.

I am directed to inform you
that the High Commissioner has decided that
the question of the appointment of a Mayor of
the Municipal Council of Tulkarm should be
deferred until the return of the District
Commissioner from leave.

A similar decision has been
taken by the High Commissioner in regard to
the appointment of a Mayor of the Municipal
Council of Jenin.

Notifications in due form will
be published in the Gazette with regard to the
election of the new Council and the date at
which it is to take office.

2. I mentioned this matter to the High Commissioner and he wishes the action of the Mayor to be considered in connection with any recommendation which may be received for his re-appointment as a result of the pending Municipal elections.

This should not be over-looked.

THE CHIEF SECRETARY.

Subject : Municipal Council of
Tulkarm. Appointment
of Mayor.

I have to inform you that the elections
for the Municipal Council of Tulkarm were success-
fully carried out on Sunday, August the 12th. As a
result of the ballot

X	Abdel Rahman Haj Ibrahim	Part.
X	Khalil Jellad	
X	Abdel Rahim Hanoun ---	Party
X	Hashem Jayoussi ---	Ref. Party
X	Haj Nimer Abdel Qadir	
X	Mahd. Haj Jassim	
	Haj Abdallah Tayeh	
---	Taher Hanoun	
	Zaki Saffarini	
	Daoud Abu Shrifeh	

were elected and will form the new Council.

2. The first is the present Mayor and
headed the poll and all the other successful
councillors belong to his party, except Hashem
Jayoussi.

3. Although Hashem Jayoussi would be suited
for the post from the point of view of education,
the Assistant District Commissioner, Samaria in-
forms me that he is not popular and to appoint as
Mayor the one representative of the minority party
would certainly cause difficulty.

4. The choice lies between the present Mayor
and Abdel Rahim Hanoun. The latter is a personality

in the town but there seems no reason to prefer him to his chief and I therefore recommend that Abdelrahman Haj Ibrahim, ^{OBE} be reappointed Mayor.

5. Mr. Keith Roach's views are as follows:

"I think the man there is too old now for the post and we ought to consider putting in somebody else. Of course, it depends on who is elected so I can offer no suggestion."

6. I think it is a pity the electorate did not make another choice possible but there appears to be no alternative.

7. I further recommend that the new Council should take office as from the Monday following the publication of these appointments in the Gazette.
